

## **"Blue in the Heart"**

(Linda Marie Fischer)

(Phil Fischer)

Red in the mind,  
blue in the heart.  
Ashes smold'ring in a fire,  
I'm missing you so dearly,  
you are my desire.

[Chorus]  
It's been a while,  
it's not our style,  
too much time between us.

Red in the morning,  
blue at night.  
Busy doesn't stop the heat,  
burning until we meet,  
for you, for you.

Red roses,  
blue ribbons,  
sparks and romance.  
Sparks our romance,  
sets off a blaze,  
a fire.

[Repeat Chorus]

And time doesn't stop  
your head,  
from wanting me,  
you said.  
Don't be cool,  
don't be blue,  
smolder red,  
with my desire.

[Repeat Chorus]

[Repeat Chorus]

**"Blue in the Heart" (continued)**

(Linda Marie Fischer)

(Phil Fischer)

Like ashes searing time,  
live this moment.  
Feed the flame,  
breathe the desire,  
breathe.
