

"Map of Ice"

(Linda Marie Fischer)

(Phil Fischer)

[Chorus]

Roll the dice
on a map of ice.
Watch the numbers
tumble and slide,
I can no longer hide.

Melt me in your arms.
Shelter me from harms.
I bet on sunshine and life,
and I bet on love beyond
icy strife.

Feel the sharp peaks
and valleys,
these were the roads
and the alleys.
This is my map,
this is what life had in store,
I traveled the map,
now love me the more.

[Repeat Chorus]

I gambled my life,
to leave the caves of ice.
I bet on you to score,
out of the land of ice,
through the door.

And here and now,
live with me.
Forever the gambles are over,
I too am free!

[Repeat Chorus]

"Map of Ice" (continued)

(Linda Marie Fischer)

(Phil Fischer)

To hear your pain,
to cry like the rain.
To share your joy,
and enjoy
your spice of life
that did entice
me to roll the dice
on a map of ice
to land in your life.

[Repeat Chorus]
