

"No one to Hold"

(Linda Marie Fischer)

(Phil Fischer)

What was I supposed to do?
We were all through.
Much more than they knew,
I was done with this crew.

I didn't know where to turn.
But I wasn't going to return.
I didn't know what to say,
at the end of that day.

[Chorus]
This family is done.
We've had our run.
Now the love is cold.
There's no one to hold.

I needed a place to go.
I'd never imagined such a show.
I wasn't ready
and my hands weren't steady.

Hotel, motel, friend's couch
Ouch, ouch,
getting my head straight
to carry my own weight.

[Repeat Chorus]

I get a job.
I go back to school.
I follow the golden rule.
And life begins to get cool.

The calendar moves quickly.
I become less prickly.
Time becomes a friend.
And wounds mend.

"No one to Hold" (continued)

(Linda Marie Fischer)

(Phil Fischer)

I know I could never go back.
The cards are stacked.
Life will be good
with some distance.
I'm going without resistance.
Good has come from the sorrow.
Flowers spring tomorrow.
Life gives us ways to grow.
And new seeds to sow.
