

"Slow, Slow, Quick, Quick!"

(Linda Marie Fischer)

(Phil Fischer)

[Chorus 1]

On a dare,
I'll take this dance.
Slow, slow, quick, quick,
magic and wit.
Now we glide across the floor.
Slow, slow, quick, quick,
I wanted more.

Feel the heat,
let the music beat.
On and on my hand repeats.
Surrender to your feet,
the thrill of it all.
It's my ball,
I feel complete,
we were so lucky to meet.

[Repeat Chorus 1]

Now spin me in your arms,
carry me off with your charms.
Love suspends us in the air!
But it's not just our affair,
the others could only stare,
as we whirled into a pair,
the sparks flew,
the night grew!

[Repeat Chorus 1]

[Chorus 2]

Slow, slow, quick, quick.
Slow, slow, quick, quick.
Slow, slow, quick, quick,
I wanted more.
